If you're tired of the usual ballroom dinner, join the organizers of The Arizona Barbecue Festival for a memorable evening under the stars. Hang out with a dozen of the Valley's top chefs, including: Beau MacMillan, Matt Carter, Aaron May, James Porter, Silvana Salcido Esparza, Payton Curry, Mel Mecinas, and Jon-Paul Hutchins.

These chefs and others will be teamed-up to grill some great barbecue for a fun culinary competition. Think backyard bbq meets Scottsdale sophistication. You'll enjoy one meal from each team of three chefs, meaning four meals for every person! Fine wine and spirits are included.
